Subject: We would like to sponsor one of your clubs match balls this season.

Would your club like us to sponsor a match ball?

Are your club or organisation charged for electricity, gas or telephone usage?

If you have answered yes to both questions then

contact Business Energy Direct without delay!

01709 578999

Clubs such as Liverpool, Barnsley, Chorley, Bexley Heath, Winchmore Hill, Swindon and hundreds more have taken advantage of our **free** utility health check. See how much you can save now and in the future!

Free impartial advice and we won't be beaten on price!

As ECB approved independent energy consultants that have saved clubs more than £600,000 in the past few years. Clubs of all sizes continue to save money with us year after year. If yours isn't one of them then you are missing out.

As well as saving your club money you will also receive the benefit of our first class, award winning customer for the duration of any contract arranged through us.

This offer will be of interest to you so here are the next steps:

- 1) Sign and return (via email or fax) a letter of authority similar to that on page 2 (with a club header).**
- 2) Forward copies of any recent (from the past 12 months) electricity, gas or telephone invoices.**
- 3) Let us compare your costs and return to you with new options.**

Many clubs choose to call us to confirm information or advise of specific club operations. Don't worry if you don't have any invoices available, as long as we have the signed letter of authority we can obtain the required information from your providers. The more information available to us the better we can advise you. The sooner that we have your clubs details the sooner you can begin saving money. We can then send you a cheque for match ball sponsorship!

To whom it may concern.

Please accept this letter as authority to enable Business Energy Direct and any of their representatives, to act in relation to the client's energy matters.

This letter supersedes all previous LOAs which must now be removed from the account.

If this letter does not appear on headed paper, it's because the company have no need for it and do not use it. It is of no detriment and does not prevent Business Energy Direct from accessing the account(s).

Without question this permits Business Energy Direct to deal directly with suppliers. This letter of authority allows access to obtain information on our client's behalf. All refusals will be reported to OFGEM and a letter will also be sent to the current Energy Minister's office.

Please add Business Energy Direct to the account as named contacts for future reference.

Energy matters that can be handled include:-

- Termination and Renewal of contracts.
- Access to account information (Mpan's/Mprn's, consumption figures, rates, contract end dates)
- Discuss and make amendments to payment plans.
- Arrange for Smart Meters to be installed
- ALL billing information e.g, copy bills, debt information, payment terms

In addition this letter allows any supply information to be accessed by them via Ecoes or the Xoserve website.

This letter is valid for a period of 36 months.

Please supply any and all information requested to ensure a smooth and efficient provision of supply.

Yours faithfully,
