

## Spare Cricket Kit appeal

Jonathan Steele (Alderley Edge cricket team and MCC playing member) recently toured Botswana with MCC for 2 weeks to promote the spirit of cricket. He played 6 games against their National side and coached at 3 separate primary schools. Cricket in Botswana is the fastest growing sport as it appeals to everyone, however one of the biggest challenges as you can image is there limited cricket equipment.

Therefore we at Alderley Edge would like to gather as much cricket kit as possible and donate it to Botswana Cricket Association.

Therefore if you have ANY spare kit, (bat/gloves/helmet/playing kit/pads etc) of any size can you please contact Jonathan Steele on [Stainless00@hotmail.com](mailto:Stainless00@hotmail.com) or 07764575389 and he will collect.
