

Stockport Georgians Cricket Club

Ladies Team – Player/Coach Opportunity

Stockport Georgians Ladies cricket team are looking for a Player-Coach to play a lead role in our exciting and developing Girls & Womens Section. The role will have overall responsibility for coaching the Ladies team, supported by existing senior players, coaching assistants and off-field team.

Georgians Ladies played their first ever season in 2016, with a very young team and have progressed extremely well in 2017, reaching the T20 Development Cup Final and winning the Cheshire Womens Cricket League Division 3 title.

The section has a thriving girls section with around 40 players at U9, U11 and U13 age level and an emerging pathway to senior cricket. With a very young 1st XI, this is truly an exciting time to join a club with a great future ahead.

This role represents a great opportunity for an experienced player to start on their coaching journey or a current coach looking to widen their experience to lead this new and exciting group as they continue to grow and develop.

The primary responsibilities will be:

- Planning and running indoor winter nets and the weekly training sessions during the season. (Thursday evenings)
- Coaching the team and supporting the captain on match days during the season (Sunday afternoons)
- Promoting and representing Girls and Womens cricket within Georgians

This role, as with other roles at the club, are entirely volunteer positions although the club will fund the costs of any coaching courses required and reasonable travel expenses.

We would like to fill the position in time for the commencement of winter nets in early 2018 however this can be flexible for the right candidate.
