

3rd XI East Newsletter & Scores – Sun 13 August – Week 15

Urgent Request – as I'm on holiday from Tue 22 – Mon 28 Aug touring Scotland's Northern coast from John o' Groats to Cape Wrath, please could Clubs provide me with match score detail by their easiest communication means asap during Sun evening/Mon daytime. I will issue the best newsletter I can from information provided around lunchtime on the Tue before leaving in search of a Glasgow kiss!

Urmston request – I have been asked to clarify that the player who featured in the Timperley v Urmston 4 game on 30 July had played 1st team cricket for Golborne in the Bolton Association the previous day and Urmston officials were unaware of the fact

3rd XI League future plans – just to let you know, as Clubs in the East, that this Thursday evening a small group of the CCCL committee are meeting at Heaton Mersey to discuss the above topic. I have received some very useful views, suggestions etc from my 5 man 'think tank' and will raise them at the meeting. It is still anticipated that there will be a 3rd XI management meeting, probably in October, where all participating Clubs would be invited to agree to any rule or structure changes. Feel free to email me any improvement suggestions your own Club might have and I will share with my 'think tank'

3rd XI Scorers – many thanks to the three of you (see below) for your services last Sunday. It's nice to see your Club's have the energy and enthusiasm to enter your names on play-cricket – let's see more names highlighted on play-cricket or the scoresheet!
