Sunday Friendlies - a reminder!

With 3 more games conceded last Sunday may I remind all Clubs that Marcus Fisher (sundaycricket@outlook.com – 07818 886653) will do what he can to arrange friendly fixtures for Clubs who find themselves with free dates – obviously as much notice as possible please, late defaulting by Clubs short of players does not help arrange such fixtures

Play Cricket entry and Result Sheet sending disciplines

Over the first few weeks of the season, after returning from a 17 year sabbatical, even I have taken time to appreciate at this level what Club Officials are obliged to do after their home fixtures. The requirements are;

1. Enter results on Play-Cricket in summary within 48hrs, in full within 96hrs (handbook p 155)
2. Send Result Sheet to me by email or post within three days of the game (handbook p 156)

Personally I have not registered any fines to date for non-compliance, but I will start entering fines for any late result sheets from and including the 28 May fixtures. I understand Darren Sutcliffe, the Play Cricket administrator, will do likewise in that area.

I've been advised that all Clubs have the access authority to comply with the above and any new captains or Club officials should have received the necessary authority and training, any problems please let me know

Rearranged game/League table adjustment

Lindow and Bredbury SM 4 have agreed to play the fixture that was scheduled for 7 May on 17 Sep – for play-cricket entry by Darren please. I have removed the entry Lindow 25pts, Bredbury -10pts from the East 3 league table and therefore no fine is applicable to Bredbury.
